## BIG WRESTLING BOUT STAGED AT AIRDOME

BUSINESS MEN'S ATHLETIC CLUB SIGNS BULL MONTANA TO MEET WILLIAM BERNE

The Business Men's Athletic Club that is staging the last of the big shows on the night of Thursday, April 11 at the Airdome has signed up Bull Montana, trainer and heavy-weight actor for Douglas Fairbanks, and one of the best heavyweight Italian wrestlers in the world, to meet William Berne in a finish catch-as-catch-can wrestling match, best two out of three falls, for a large purse and side bet. Montana has just returned from the east where he engaged some of the best men in the country with great success. Among his most notable victories was his win over Cy Rice in Boston and Young Hackenschmidt in New York City. He also wrestled Isralinger, the world's light-heavyweight champion, three hours at the Madison Square Garden in New York without either contestant securing a fall.

In addition to the big wrestling match one of the best and fastest ten-round boxing contests ever witnessed in southern Nevada will be staged between Johnny Morrison, the popular Goldfield bantam and Kid Bromoo of San Francisco.

These boys are both clever and fast and Bromoo has been meeting all comers at his weight in Salt Lake, Ely and on the coast with great success during the past two years.

The advance sale of seats was placed with the Cobweb, Bank saloon, Tonopah Club, Tonopah Liquor Co., and Misph Hotel bar today and the indications are a packed house will be on hand to witness the contests when King Pearce, the club's official referee, calls the boys to the ring.

## INCOME TAX DRIVE COMES TO AN END

MANY WHO ARE EXEMPT WILL DONATE MONEY TO CAUSE BEFORE JUNE 15

Showing a spirit of patriotism that makes for victory, the filing of the income tax statements closed this morning at 12:30 o'clock when the deputy collector for this district left his desk and closed up his books. In order that every one might have an opportunity to file their statements he opened his books for business of the day at 8 o'clock in the morning and remained until 12:30 this morning.

It is rumored that the lowest tax paid in this district was 8 cents and the highest was in the neighborhood of \$10,000. Many who were exempt expressed the desire to pay a tax before June 15 for purely patriotic purposes. It is believed that practically all persons from whom a tax was due filed their statements and many paid the tax in cash at the time of filing.

## FATHER AND TWO SONS ENLIST HERE FOR ARMY

What is considered one of the most exceptional enlistments for army service anywhere in the state was recorded here by Recruiting Officer Crowley, when George W. Gridley and sons, Oren and Roy Gridley, who have been employed at the manganese deposits, all enlisted and passed the officer's examination for service in the coast artillery division. They leave today for San Francisco.

Other enlistments for the week through the local recruiting station were Walter C. McGinn of Indian Springs, who left Tuesday for Bakersfield to enter the field artillery division, and Paris Vaughn, well known Salt Lake Route brakeman, who enlisted as a conductor in the 31st engineers and left Thursday for Bakersfield.—Las Vegas Review.

## HAVE POSTPONED THE LOAN DEMONSTRATION

LACK OF INFORMATION RESULTS IN PUTTING OFF BIG DRIVE

On account of delay in receiving much-needed information concerning particulars of the Third Liberty Loan, the Nye County Liberty Loan Committee has decided not to hold the parade and patriotic demonstration on Saturday evening, April 6, but to postpone the event until the evening of pay day, April 10. The latter date will prove more convenient for many reasons, chief among which it is practically certain that all necessary detailed information regarding the new bond issue will be at hand for announcement and distribution.

The council has been informed that the Merchants' Association of Tonopah at their meeting held last evening, voted to close all stores on April 6 in honor of the new Liberty Loan drive. Such action is most patriotic. But it is suggested that the big event, as postponed until April 10, need not interfere with the business of the merchants to that extent. The parade and public exercises on that evening will be held probably late enough to permit all stores to keep open until their usual pay day closing hour.

All good citizens are requested to take notice of this change of dates.

## RED CROSS SENDS OUT CALL FOR HELP

APPEALS FOR SURGICAL DRESSINGS BECOME MORE URGENT EACH DAY

Every Wednesday evening, from 7:30 to 9:30 o'clock, the Red Cross surgical dressing department is open for those who wish to help our wounded boys at the front. These hours have been arranged for those whose duties make it impossible for them to do Red Cross work in the day or those who can spare time in the evenings as well. Many of the evening workers are day workers also.

The appeals for surgical dressings are at the present time most urgent. The wounded soldier must have dressings and have them quickly if he is to live and come back to us a whole man. The thought of having the blood of any of our boys stopped with matted straw is intolerable. Yet it has been done when gauze and cotton dressings were not to be had. If every one of us here in Tonopah does not help to the limit of our ability, and one of our soldiers dies for lack of what we might have sent them, we personally will answer for that man's death.

This is no time for us to think of our own ease, our own comfort or even our own need, for their's is so much greater. Instead we must think of our men, marching today through the mud and driving rain of France, to face the bullets and bursting shrapnel of the Hun. Face that squarely and there is only one thing to do—get a Red Cross uniform and work every minute you can spare from your absolutely necessary duties.

## ASKS PROTECTION OF THE SHERIFF

SAUER WISHES TO GO TO MANHATTAN TO CLOSE UP HIS BUSINESS

J. B. Sauer, the alleged pro-German who was driven out of Manhattan, arrived in Tonopah last night and today called upon District Judge M. R. Averill requesting that the sheriff accompany him back to Manhattan where he wished to go to settle up his business. His request was granted and he will leave for Manhattan tomorrow. Sauer stated that he wished to gather together his stock, settle his bills, and that he was then willing to leave the country.

Sauer walked from Manhattan the greater portion of the distance to Tonopah, coming by way of the San Antonio valley via Millers. He was given a lift in an automobile from Millers to Tonopah by persons that did not know who he was until after he had arrived here, it is said.

## THRIFT STAMP DRIVE STARTS IN SCHOOLS

BOY SCOUTS WILL MAKE HOUSE TO HOUSE CANVASS IN TONOPAH TOMORROW

The patriotic young citizens of Tonopah schools are today buying Thrift Stamps in large numbers and thus the campaign looking toward a campaign of saving has been definitely started in our city. The campaign today is being made through the schools. Tomorrow committees will make a house-to-house canvass for the purpose of interesting as many adults as possible in investing in either War Savings Stamps or the Thrift Stamps. On Thursday it is hoped to tag every one found at large on the streets of this city.

The campaign is being conducted by the Tonopah Boy Scouts by means of the red post card system approved by the government. Every Scout who sells twenty-five Thrift cards with stamp attached, receives an Achievement Button, and if the amount of stamps sold totals \$250 he receives the Ace Medal. The Scouts are making an endeavor to have every member of the Tonopah organization qualify for the Achievement Button and to do so means they must sell some 1500 Thrift cards. The girls are busily organizing a troop of Girl Scouts and during this campaign will assist the Boy Scouts in selling the required quota of cards.

Postmaster McQuillan has authorized the Scouts to carry stamps and Thrift Cards with them and to sell the stamps and collect the money. To indicate the number of Thrift cards sold, the boys will ask purchasers to sign the red post card, but the stamp will be sold and delivered immediately by the boys instead of through the postoffice.

## UNUSUAL INTEREST IN SCHOOL CONTEST

STUDENTS OF PUBLIC SCHOOLS HAVE CHANCE TO WIN LIBERTY BOND

A contest of more than usual interest to the public in general and the pupils of the public school in particular, has been announced by Jules Smith. It will start on April 6 and continue until the 17th, the duration of the Liberty Loan campaign. Every ticket of admission to the Butler Theater during that time will have a coupon attached. To the pupil in the high school or grades who secures the largest number of coupons, Manager Jules Smith will give a \$50 bond. The only condition to entering as a contestant is that fifty coupons be secured before your name can be entered in the race.

This is a prize well worth working for and energy and hustle are the only things necessary to win. Work can be begun at once by seeing all your friends and getting the promise of the coupons from their tickets. Whose name will head the list on April 17?

## RAILROAD BOARD TO PASS ON DISPUTE

Doak, vice-president of the Trainmen.

Recently the embassy published a statement that no less than forty divisions had been gathered by the enemy along the battle lines, and now information comes that these troops have received the essentials of food, artillery and munitions for which they have been waiting.

## FINE WORK DONE ON THE CHARTERS

FOURTEEN CHARTERS OF JUNIOR RED CROSS SHOW EXCELLENT COMPOSITION

Some fine work has been done on the charters of the Junior Red Cross by R. L. Robins. Each class has a charter of its own and on each one Mr. Robins has entered the name of the class, name of the chapter and date. In the most elaborate of old English lettering. There are fourteen charters in all, and some time was required to execute the work on them, which is very beautiful. These charters are highly prized by the classes to which they belong.

## HON. GEO. A. BARTLETT MADE DISTRICT JUDGE

Hon. George A. Bartlett of Reno has been appointed district judge for the second judicial district of the state of Nevada by Governor Emmet Boyle. The appointment is to fill the unexpired term of Judge Richard Stoddard, who resigned to accept a commission in the judge advocate-general's department of the United States army.

The appointment is concurred in, the Bonanza believes, by 85 per cent of the citizenry of Nevada. That George Bartlett will make good on the judicial bench goes without saying. The people of southern Nevada know his true worth and all rejoice with him and extend congratulations.

## CLEMENCEAU SHELLED WHEN NEAR FRONT

(By Associated Press.) PARIS, April 2.—The French and British started an advance last night between the Somme and Demuin. There was heavy artillery at some points but the night was relatively calm over most of the front between the Oise and the Somme. The eighth long range bombardment of Paris was begun early today. The early morning air raid warning was sounded. The anti-aeroblasts began firing immediately, placing a continuous curtain fire around the capital. It was announced that the danger was over later on. Premier Clemenceau ventured so near the first line yesterday on his daily visit to the front that his automobile was shelled vigorously by the Germans. All the windows in the car were broken. The premier was unhurt. He returned enthusiastic and full of confidence in a favorable issue of the present battle.

## GIFT WATCH WEIGHS POUND AND A HALF

(By Associated Press.) MISSOULA, Mont., April 2.—Red Cross week here saw many old relics contributed for their gold and silver but none so quaint as a watch made in 1849 and weighing a pound and a half. It was made in Massachusetts, and was meant to carry in the waistcoat. It was still in use as a mantle clock and kept

## AMUSEMENTS

A FOX PRODUCTION AT THE BUTLER

Admirers of June Caprice can now see that smiling William Fox star in a new, pretty and stirring photoplay. It is called "The Heart of Romance," and will be the attraction at the Butler this evening.

Miss Caprice begins this photoplay in an unusual way—that is, unusual for Miss Caprice. She wears real stylish clothes. In all the previous pictures she has appeared in Miss Caprice began in rags and ends in riches, but in "The Heart of Romance" she is rich from beginning to end. The story is that of a young writer who is in love with Eloise Jackson (June Caprice). He is poor and Eloise's guardian fears he is fonder of her money than of her. To test the young man, the guardian devises several tests. These are all exciting in the extreme.

Eloise is really in love with the writer but she obeys the commands of her guardian to prove the youth really cares for her. At one point she joins the chorus of a Broadway show to make her sweetheart believe he has lost her forever. The youth, however, is strong of heart and never stops battling his way into Eloise's good graces. He is of the right quality and he sees it through. In addition to the feature, a Ford Educational Weekly will be shown. Wednesday—"The Barrier," the seven-reel photo-drama of Rex Beach's famous Alaska novel of the same name, at the regular admission of 11 and 17 cents.

Watch for announcement of Geraldine Farrar.
